** Life members in the Slipper Orchid Study Group are inducted based on significant contributions to Slipper Orchid Culture and donation of significant plants to the Slipper Auction. The auction is the only thing that takes the Symposium out of the red ink. We would like to see the auction support the whole symposium, lowering the fees to practically nothing and becoming a source of significant Slippers for buyers and prestige to donors.

Enclosed check for \$ _____ made payable to Jamie Lawson (Symposium Account)
